

HKSA CHRONICLE – MAY, 2012

We apologize that the Chronicle for April was suspended owing to the load of work in preparation for the events in May. I have the pleasure to report to you what had been going on in May this year.

(1) THE ANNUAL GENERAL MEETING

Being the most important function of the Association, the AGM was held on 17th May. We had an attendance of 30 principal members and 26 proxies. All agenda items proposed were approved by a show of hands. One very important approved agenda is the amendments to our Memorandum and Article of Association of the Association. They were last revised in 2004, and we had to bring them up to date with the changes in the governing legislation. The Meeting ended at 19:00 hrs.

(2) THE ANNUAL DINNER

This has always been one event that members look forward to every year. This year, as a matter of practice, it was held right after the AGM at the Royal Pacific Hotel. Needless to say, it was a very joyous and harmonious occasion, full of fun and good food, as it had always been. Our guests from our working partners, the SGSIA, the Crime Prevention Office and its regional crime prevention office, the Police Licensing Office, the Security Service Training Board, the several professional security associations in Hong Kong, and the Central Government Liaison Office in Hong Kong had all been present to honour the occasion.

If you missed this event this year for any reason, don't be dismay. This event comes every year.

(3) THE HONG KONG SECURITY ASSOCIATION AWARDS

Again this is also one event that all of members would be interested. Not only does it bring pride to the security personnel once being awarded, it also reflects the overall performance of the staff working in that company.

The Association Award Scheme initiated many many years ago, and has been one of the activities that fulfills our mission to enhance services standards

The awards were selected by a judge panel composed of all the Executive Committee Members, and the awards this year were divided into two categories, guarding and systems & maintenance. It was proposed in the Executive Committee Meeting in June to widen the categories so that the award scheme would embrace a greater variety.

The security staff of member companies (in alphabetic order) that were selected for the HKSA Award (Cash and a Certificate of Merit) are:

- (a) Mr. Wan Chun San of CBRE Property Management Ltd; (b) Ms Au so Ha of Citybase Property Management Ltd;
(c) Mr. Lee Yu Man of ISS Adams Secuforce Ltd; (d) Mr. Chu Yin Ming of Megastrength Security Services Co. Ltd

- (e) Mr. Leung Wing Tim of Savills Property Management Ltd; (f) Mr. Wong Hou Chung of Sino Security Services Ltd
(g) Ms Chan Lai Kuen of Urban Property Management Ltd; (h) Mr. Lee Chiu Tak of HSBC - Security System Services
(i) Mr. Morris Lau of Lik On Security Ltd.

CONGRATULATION TO ALL OF THEM AND KEEP UP THE GOOD WORK.

(4) The Diploma Course for Professional Security Manager

The Training & Standard working Group had already started meetings and preparations to launch the Course this year. Notices of this Course would be sent to all members for their attention and enrolment.

The Course is geared to both guarding managers as well as systems and maintenance manager. Don't miss this opportunity to support the continuing training development programme.

(5) EXECUTIVE COMMITTEE MEETING

Owing to the load of additional work for the Executive Committee Members, the Executive Committee Meeting were suspended for April and May, 2012. It would resume in June, and we would have an array of events to report to you.
