Dear Mr Li,

Re: A Heartfelt Thanks for Supporting Build4Asia 2022

Thank you for your invaluable support for Build4Asia 2022 which proved to be a resounding success. The show successfully brought the Industry together to rebound and reconnect and reinforce Hong Kong's continued position as a leading hub of Asia.

Given the economic recovery and growth after COVID-19, your presence validated our decision to continue the show and confirmed the importance of Build4Asia as a premier industry platform. We would like to offer our sincere appreciation for your trust and support, which gave us immense strength to take on the challenge. Also, special thanks for your assistance in maintaining the health and safety standards during the show. Together we delivered a safe, hygienic and high-quality event which has won widespread praise from the industry.

It has been a pleasure working with you and we look forward to your renewed interest and participation at the next Build4Asia, which will be held from 10 - 12 May 2023 at the Hong Kong Convention & Exhibition Centre.

If you wish to receive more participation details or further enhance our partnership, feel free to contact at +852 3709 4981 or exhibit@build4asia.com. I hope we can formulate new ideas together to ensure the continued success of the show.

Warmest Regards & Best Wishes,
